

# Achill Painting Workshops 2009

With Padraig McCaul

Padraig will be running a series of Oil Painting workshops between June and September. The workshops will be based in Ted Lavelle's, Cashel, Achill Island.

**Who is it for?** The workshops are aimed at painters with some level of experience, who are comfortable with their chosen medium and are looking to develop their own painting style. They may not be suitable for absolute beginners but if in doubt please call Padraig at the number below.

**What to bring:** Participants are asked to bring their own materials and easel.

**What to expect:** We will use the landscape and coast of Achill as our inspiration, so rain wear and sun cream are essential! The workshops will involve short daily demonstrations by Padraig followed by outdoor scouting trips for suitable views to sketch and paint. The second part of the day will typically be based indoors developing the initial sketches on canvas. Over the course of the workshops we will look at elements such as composition, colour and movement, and how they contribute to successful landscape and coastal paintings.

**Dates:**

- June 27<sup>th</sup> to 30<sup>th</sup> – Painting Achill - 4 day workshop (€250)
- July 13<sup>th</sup> to 14<sup>th</sup> – Exploring Achill's Coastline – 2 day workshop (€125)
